

# Data Sharing Festival

Next level Dataspaces: Adopt, Scale and Roll-out

The Hague, February 4 & 5, 2025

On Tuesday 4th and Wednesday 5th of February 2025, the next edition of the [Data Sharing Festival](#) will take place. This years topic is 'Next Level Dataspaces: Adopt, Scale and Roll-out'.

## Focus on practical solutions and collaborations

The program of this event will be evolving over the next few weeks; so please keep an eye on our [Data Sharing Festival 2025 website!](#)

It will surely focus on practical solutions and collaborations to scale up market adoption for trustworthy data sharing. Next to the keynote-speakers, we will offer you a bunch of interesting interactive hands-on workshops and parallel-sessions. Of course there will be plenty time and opportunities for discussions and networking. And speaking about networking: On Tuesday-evening you can join the 3<sup>rd</sup> edition of our Dynamic Network Dinner!
